### JOBY GORILLAPOD

The Joby Gorillapod firmly secures your camera to just about anything. Unlike traditional tripods, Gorillapods do not require a level or elevated surface for you to take the perfect shot.

Each Gorillapod is made up of 30 or more fully articulating ball-and-socket joints. You can bend and twist them into any shape. And they'll always keep your camera steady!

JOB GP1	Gorillapod Original	<b>£19.99</b>
JOB GP2	Gorillapod SLR	<b>£44.99</b>
JOB GP3	Gorillapod SLR Zoom	<b>£49.99</b>
JOB GP4	Gorillapod Go-Go	<b>£29.99</b>
<b>N</b> JOB GP5	GorillaTorch	<b>£34.99</b>
